

Course Catalog for International Exchange Students - Winter Semester 2023/24

Kurskatalog für internationale Austauschstudierende

As an incoming exchange student at Hochschule Trier, you are not required to follow courses of only a single study program. You can choose the courses from different study semesters or different programs, provided that the courses do not overlap. Students will have the possibility to attend a seminar. Term papers can be written in English.
Please note: In some courses/seminars the number of participants is limited.

You can download the course descriptions from our homepage (see module description [module descriptions](#))
